Leiderdorp

Full time Software Developer

Emerald-it

2017 - 2022

<https://emerald-it.nl/>

Achievements/Tasks

- Backend
- Frontend
- Android
- Api('s)

Contact: Tom Groentjes - (+31) 06 2456 7590

Leiderdorp

INTERESTS

NodeJS

In recent times I've been very interested in Node and other javascript libraries like Vue and React.

Gaming

As many people nowadays do, I love to play games in my free time, I never stick to one too long though, I usually switch games at least once a month.

Manga/Anime

Reading and watching tv shows is one of my favorite things to do before bed just to relax after playing an intense game.

SKILLS

PHP

HTML

CSS

SQL

Javascript/Jquery

Android Java

Java

Docker

PROJECTS

Complete Reference for DnD5e (2017 - 2022)
